

OLD WOOD, NEW LIFE!

D-BODHI TAKES PIECES OF UNWANTED WOOD FROM OLD BUILDINGS, HOUSES, BRIDGES AND UNUSED RAILWAY SLEEPERS, AND TURNS THEM INTO UNIQUE PIECES OF FURNITURE WITH A STORY TO TELL. THE COMPANY, WHICH IS OPENING THE WORLD'S FIRST D-BODHI STORE IN SINGAPORE THIS MONTH, PERSONALLY SELECTS EACH PIECE OF WOOD FOR THEIR SHAPE, COLOUR AND STRUCTURE. THE DESIGNS ARE THEN LOVINGLY HANDCRAFTED USING PRODUCTION PROCESSES CERTIFIED BY THE FOREST STEWARDSHIP COUNCIL.

WHAT CAN WE SAY? WE LOVE THE FACT THAT EVERY PIECE IS DISTINGUISHED BY THE BLEMISHES THEY CARRY AND THAT EVERY SPLIT, GAP, SCAR AND CHINK TELLS US WHAT WE ALREADY KNOW – THAT THERE IS BEAUTY IN IMPERFECTION.

FEATURED HERE IS THE LUCY RANGE, ONE OF THE FIVE NEWLY LAUNCHED COLLECTIONS AT D-BODHI.
